POLICE DEPARTMENT

G. W. MacLEAN, Superintendent

March 13, 1947

Honorable Hubert H. Humphrey
Mayor, City of Minneapolis
Minneapolis, Minnesota

2:

It is with a great deal of pleasure that I present to you the Annual Report of the Minneapolis Police Department. This report covers the department activities for the calendar year 1946.

The year 1946 showed a marked increase over previous years in all phases of police work. This was due, of course, to the transitory period following the recent war. It is regrettable that we did not have sufficient police personnel to cope with this increase at its source. However, you will note from the figures in the report that we have matched the crime increase with our arrest and recovery percentages.

At this time I should like to express to you my thanks and the appreciation of all members of this Department for the close cooperation you have shown us.

Respectfully,

G. W. MacLean

G. W. MacLean
